Subject: Re: Question from the CEG
Attachments: Clarification_request_TSDSI_link-budget_CEG_Final.docx

Dear Ven

Please find the response from TSDSI attached. It took us some time to get through the formal TSDSI process. Hopefully, this should address CEG concerns.

Regards
Radha Krishna

Dear Prof. Ganti and Mr. Mittal,

Thank you very much for your updated submission to the ITU – your comments regarding the UE transmit power and NB-IoT are duly noted (and appreciated).

The CEG has gone through your submission and has three questions, all of which are related to the link-budget calculation. Your comments/clarifications would be welcome.

Regards,

ven
